✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , airline travel discounts on certain routes ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , that originate from their alliances ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , or from certain regional platforms ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Everyone ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , seniors ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , and non-seniors ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , can ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , take advantage of flexible flight booking ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , senior ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , special air travel assistance ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , and discounted airline travel rates ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) , that On the contrary, according to these claims, so-called senior fares are not openly accessible and therefore must explicitly be asked for at the number ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . However, there exists no trustworthy public documentation or standard fare system that proves the existence of an ongoing company senior discount offer ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . It is, therefore, due to this rather inconsistent and anecdotal evidence that there are far more trustworthy and sufficient recent travel-related resources Available, and the best guess here would rather be that Lufthansa does not offer a guarantee for senior discounts ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . At most, what might perhaps still exist could, in theory, serve a kind of outdated, route-specific tariff that might, at times, apply to passengers ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) – though this remains highly unpredictable, limited, and most likely not widely accessible ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Seniors, who want to save money when booking flights with Lufthansa, therefore are well advised to rely on the following, for regular passengers equally applicable, strategies: look for discounted tariffs, travel during off-peak times, book well in advance, and vary the time and days ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Seniors who cannot actually rely upon senior discounts with Lufthansa are, therefore, still provided with the following indirect, rather random, and highly individual ways to possibly reduce their cost when traveling with Lufthansa ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Buying tickets well before departure, for example, will help secure access to the lowest fare tariffs before demand drives prices up ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Traveling during peak-free days of the week and times, or during off-peak periods, will help reduce tariffs ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) . Using bonus tariffs, mileage credits, and similar mileage-based fees (if they are accessible at all) ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) It has long been a tantalizing prospect for senior travelers to receive a senior discount on air tickets : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). Senior travelers and frequent flyers alike long to receive a senior discount simply because of their senior status, or when they reach the age of 60 or 65 : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). In reality, as far as Lufthansa Air Lines in the year 2025 is concerned, this is simply not the case : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). In the good old days, a senior discount or senior fare was an advertised or guaranteed fare offered by Lufthansa : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US), and tickets bought online or through : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) regular booking sources would offer the same price regardless of the air passenger’s age : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). In the good old days, airline carriers, including Lufthansa, used to offer senior discounts as a way of encouraging a growing number of travelers who would like the flexibility of air travel : ✈️+1-855-636-1901 (USA) or

+1-866-270-0220 (US). These rates would often apply only to particular routes or would need the assistance of a calling party : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). Lufthansa has, however, discontinued this as well as other traditional senior discounts : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US), opting for dynamic pricing instead : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US), based on demand and other factors : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). In this way, the airline carrier can increase its profit margins while offering periodic specials to both senior and other travelers, effectively chopping down the existing senior discount : ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). In an alternative way of cutting travel expenses, there is the loyalty rewards program offered by Lufthansa's SkyMiles ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). Not being age-sensitive, the frequent air mile traveler can earn miles through air travel or other joint promotions +1-855-[636]-[19.01] (USA) or ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). Of course, some senior citizens may still believe that direct contact with Lufthansa will uncover unpublished senior fares by dialing toll-free numbers ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). Occasionally, members of their customer service department will have knowledge of limited-time or route-specific fares; however, even this should not be considered a standard or widely available or guaranteed service Yes, Lufthansa does provide senior discounts when called direct at ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US) / + ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US), because these special rates are not offered generally and cannot be found on their website or mobile app ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US). They can be reached direct at ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US), by phone, on selected routes, with selected frequencies that haven't been advertised, based on the fare type, and according to selected promotional rates ✈️+1-855-636-1901 (USA) or +1-866-270-0220 (US)
